

# Homework Grid Y5/6 Summer2 2021

Y5/6 Homework: Spellings – tested every week.

SumDog Maths challenges and competitions.

Daily reading (reading book or <https://www.activelearnprimary.co.uk>)

In addition to this, we would like you to choose some of the homework ideas from this grid to do at home over this six week half-term. We will have time in school to talk about the homework you have done that week. If you want to bring your homework to school or a photo of you doing an activity from the grid, that would be great!
