31st January 2019

Dear Parent Carers,

Due to the growing number of children in school with serious food allergies, a decision has been made that we can no longer allow any food to be brought into school to share with children eg birthday cakes and sweets. This decision is to ensure there is no risk of cross contamination which could be harmful to children with allergies and result in serious consequences.

At Springfield the safety of our children is of the highest priority and I know you will agree and fully support this matter.

Kind regards

Linda Joseph

Co- Headteacher
