### Parent Survey

Thankyou to all the parents who completed one of these at the parents evenings.

The responses that *Strongly Agreed/Agreed* with each of the statements ranged from 94% to 100%.

Many positive comments were also written, which were lovely to read.

Remember to check the school website, as every class has a page where information regarding what each class is learning is published and photos are uploaded.

Information about all the subjects across school is also available under the Curriculum tab.

Working together in partnership is the best way to ensure your child achieves to their full potential and we are grateful for the support that parents and carers provide.
