

Springfield Primary School

Equal Opportunities Policy

November
2021

Statement of intent

Springfield Primary School understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality between different groups;
- Foster good relations between different groups; and
- Promote mental health and wellbeing.

Our school's overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We have developed this policy to provide a clear framework for how we will achieve our school's aims.

The locality of the school is City Centre and serves a very diverse community. We are inclusive and aim to create a learning community at Springfield that is both safe and supportive; a place where respect is shown to all, by all. We have an extremely supportive ethos, through which our children feel safe and secure to learn. This in turn enables them to achieve and develop self-respect, self-worth and self-determination. Diversity is celebrated

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key data indicators to understand the needs and characteristics of our school
- Promoting community cohesion
- Promoting parental engagement
- Investing in regular staff training
- Using key data, such as measures of wellbeing, to monitor the progress of pupils with protected characteristics
- Regularly reviewing our equality policy to ensure it reflects current trends and issue

- Carry out their statutory duties relating to equal opportunities, inclusivity and pertaining to their specific roles.

- 3.2. The school will gain consent from pupils and parents before any sensitive personal data is processed.
- 3.3. The school holds a Data Protection Policy containing further information addressing data protection.

4. Protected characteristics

- 4.1. We will not discriminate against, harass or victimise a pupil, or prospective pupil, because of their:
 - Sex.
 - Race.
 - Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
 - Religion or belief.
 - Sexual orientation.
 - Gender reassignment.

- 4.2. We will not discriminate against a pupil, or prospective pupil, because of a characteristic related to a person, such as a parent, with whom the pupil or prospective pupil is associated.
- 4.3. We will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.
- 4.4. We will regularly review our school practices to ensure that they are fair with regard to all the protected characteristics listed in 4.1.

5. Sex

- 5.1. For the purpose of this policy, sex refers to their biological assignment at birth depending on their reproductive organs. We understand some pupils may wish to identify with another gender, and we will support pupils through their transitioning phases.
- 5.2. We will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to pupils of other sexes. – to achieve this,
- 5.3. There may be occasions where we deem it necessary to teach some subjects in single-sex classes, such as Relationships and Sex Education, but we will ensure that such classes do not give pupils an unfair disadvantage when compared to pupils of the other sex in other classes.
- 5.4. The school will only separate pupils by sex where there is reasonable justification or if one of the following applies:
 - Girls or boys will suffer a disadvantage connected to their sex
 - Girls or boys have needs that are different from the needs of the other sex
 - Participation in an activity by girls or boys is disproportionately low
- 5.5. The school will consider non-statutory exceptions on a case-by-case basis, and regularly review the impact of any separation to ascertain whether it remains lawful.
- 5.6. Boys and girls will be offered an equal opportunity to undertake any activity in the school, e.g. in relation to technology lessons all pupils will be allowed to choose which skills they learn.
- 5.7. Occasions where boys and girls are separated to be taught in single-sex classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind segregation.
- 5.8. Where a subject is taught in a single-sex class, pupils undergoing gender reassignment will be allowed to attend the single-sex class that corresponds with the gender they identify with.
- 5.9. Pupils' age and stage of development will be taken into consideration before segregating sports teams
- 5.10. Both sexes will have equal opportunities to participate in comparable sporting activities; where segregation is deemed necessary, the single-sex sports teams will receive the same quality and amount of resources.

6. Race and ethnicity

- 6.1. We will ensure that pupils of all races and ethnicities (including those who have EAL) are not singled out for different and less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair.
- 6.2. We will not segregate pupils on the basis of their race or ethnicity, understanding that claims of 'separate but equal' will not be tolerated, and that such actions will always be viewed as direct discrimination.
- 6.3. We may, however, take positive action, e.g. organising open days for pupils and families of a specific race that is under-represented, to address the particular challenges affecting pupils of one racial or ethnic group, where this can be shown to be a proportionate way of dealing with such issues.

7. Disability

- 7.1. We will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.
- 7.2. We will ensure that we do not discriminate against pupils with a disability by implementing a rule for all pupils that could have an adverse effect on pupils with disabilities only (for example, making physical fitness a basis for admission, or asking all pupils to deliver a presentation, as this could be unfair towards pupils with anxiety), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.
- 7.3. We will ensure that we do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for him/her to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.
- 7.4. We will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.
- 7.5. We will meet our duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented and reviewed where necessary.
- 7.6. The school adheres to our SEND Policy containing further information addressing equal opportunities for pupils with SEND.

- 10.1. We will ensure that pupils are not singled out or treated less favourably because they have undergone, or are proposing to undergo, gender reassignment, or have trans* parents, regularly checking our school practices to ensure that they are fair.
- 10.2. We will make reasonable adjustments to accommodate absence requests for treatment and support of trans* pupils by external sources, e.g. charities such as Stonewall. Any such absences will be recorded accurately and sensitively by the SENCO to ensure the privacy of the pupil.
- 10.3. Pupils have the right to dress in accordance with their true gender identity within the constraints of our dress code, outlined in our School Uniform Policy.
- 10.4. The facilities will be made available to all pupils and pupils can use the facility they feel most comfortable in e.g. a trans* pupil using a private changing room.
- 10.5. We will ensure that there is a designated safe space within our school where trans* pupils can discuss issues of gender without fear of discrimination.

11. Looked after children (LAC)

- 11.1. LAC, and previously LAC (PLAC), will be given the highest priority for admissions, as per the requirements of our Sheffield Local Authority's Admissions Policy.
- 11.2. We will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.
- 11.3. A personal education plan will be created, and implemented, for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.
- 11.4. We will ensure that any SEND that a LAC or PLAC has, are duly taken into account and addressed, whether this is with or without a SEND statement or EHC plan.
- 11.5. The school adheres to our LAC Policy containing further information addressing equal opportunities for LAC.

12. The curriculum

- 12.1. We believe that pupils should be exposed to thoughts and ideas of all kinds, however challenging or controversial, and will not make any unjustified changes to our curriculum content on the grounds of any protected characteristics that a pupil may have.
- 12.2. We will ensure, however, that the curriculum is as balanced as possible, and delivered in such a way that prevents discrimination, and the promotion of prejudicial stereotypes.
- 12.3. To ensure equality, diversity and tolerance is taught and promoted throughout each subject area:

Teaching at Springfield will promote the value of all children's cultures, religions, race, ethnicity and abilities.

- Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.
- Providing a variety of educational and residential visits that expose pupils to a wide range of cultural experiences.

- Causes physical and psychological injury to victims and hinders learning and development
- Destroys healthy social relations and harmony within school
- Leads to intimidation and lack of confidence and is likely to adversely affect the pupil's quality of education and their attainment
