Dear Parents and Carers

## COVID-19 Update

We would like to thank everyone for your support in following the Government guidance so far. However, in response to the changes that came into effect yesterday and in order to keep everyone safe, we would like to

- Encourage all parents to wear a face mask that covers the nose and mouth when dropping off and collecting children from the playgrounds.
- Remind everyone to maintain a distance of 2m apart from other people outside of your family.
- Remind everyone to wash their hands frequently/ use sanitiser

As it is these measures that Public Health England say are the most effective.

## Remote Learning

You may be aware that as a school we are now required to provide remote learning for any children who are required to isolate or if a 'bubble' needs to be closed.

On the school website, under each class page is now a tab called 'Remote Learning' which you and your child can access should they not be in school for reasons due to Covid-19. This is **ONLY** to be used in the event of absence as it replicates the learning in school.

Each week will have a new tab and so you will easily be able to locate the work that is relevant to your child for the particular week you require.

Please speak with your child's class teacher if you have any further questions regarding this.

Please continue to take care and keep safe.

Linda Joseph & Sally Holder

Please come into school if you require further translation or explanation of this letter.

## Achieving Together
