

Springfield Primary School

Pupil Premium 2020-21

The Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meal and those looked after by the local authority.

In deciding how to spend our pupil premium grant the school's priority is to focus on narrowing the attainment gaps in reading, writing and maths. We have used school data to carefully track pupils' progress and analyse where the achievement gaps are.

Planned spend for 2020-21 allocation.

Overview of the School Figures taken from January 2020 Census	
Total Number of Pupils on Roll (YR – Y6)	195
Total Number of Pupils eligible for PPG	70
Amount of PPG received per pupil	£1,345
Total amount of PPG received	£94,150
Barriers to Educational Achievement	
Many of the children who are eligible for pupil premium have originally arrived as refugees or asylum seekers and whose families have since settled in the UK. All the children have English as an additional language. Many are from larger families and 23% of the school pupils have Special Educational Needs, some of which are highly complex. There are many lone parent families, either as a result of family breakdown or bereavement.	
Breakdown of Costings	
Contribution towards Assistant Headteacher's time focusing on raising attainment and quality of learning in EYFS and KS1	£5,000
Contribution towards Co- Headteacher's /Deputy Headteacher's time focusing on learning in KS2 and PPG with SEND across school	£3,000
Contribution towards Learning Mentor support for vulnerable pupils	£23,000

Contribution towards development of indoor and outdoor provision	£2,000
Uniform and PE Kit	£2,500
Contingency Fund- to respond to changes in circumstances and in-year mobility.	£6,650

The impact of the strategies used 2019-20:

- Vulnerable children have had access to intervention from the learning mentor.
- Families have received targeted interventions to support their children's learning
- Improvements in attendance have been maintained.
- Prior to lockdown, key target groups were identified across school and these children received specific teaching from the Co-Headteachers and Assistant Headteacher. These were children in Y1, Y2 and Y5.
- Prior to lockdown children took part musical performances in and beyond school, performing to a wide range of audiences.
- Prior to lockdown children accessed wider opportunities such as After School Clubs including Art, Engineering, Sport and Music Lessons.
- Children identified as musically talented were selected for a further music package which includes tuition and the opportunity to attend musical concerts and other experiences. For some individuals, this continued throughout lockdown.
- During Lockdown, children received learning packs targeted to meet their needs.
- During Lockdown, stationary packs and resources were purchased to enable children to complete their learning at home.
- During Lockdown, all children in receipt of Free School Meals received the vouchers/ food packs they were entitled to.
- A LAC child was admitted to the school during Lockdown, with bespoke support provided for that child for which no LAC funding was received.
- Links were quickly established with families allocated places in school during Lockdown, particularly those families who were refugees/ asylum seekers. This contact was maintained throughout lockdown.
