

Springfield Notice

13th November 2020

Dear Parents and Carers,

We are writing to ask for your help regarding cars at the end of the day.

We understand that there are some people who have to drive to school to drop off and collect children and we thank everyone who is mindful of the numbers of small children moving around - especially at the end of the day.

In our October Newsletter we wrote the following:

We are seeing an increase in the number of cars around school at the start and end of day. Please take extra care and drive with caution as we have had some 'near misses' and we want to avoid accidents at all costs.

Unfortunately, we have learnt that this week, there has been another 'near miss' involving a car and pedestrians.

The matter has been reported to the Police and they may monitor the area and take further action.

We all have our children's' best interests at heart and it is important that everyone takes responsibility to ensure that their actions do not endanger others.

We thank all our families for the consideration they show to each other and would like to encourage everyone to behave in a responsible manner so that everyone stays safe.

Kind regards,

Mrs Joseph & Mrs Holder
Co-Headteachers
