Monday 24th July to Friday 25th August 2023

## The CU Festival of Fun 2023 is OPEN!

The Sheffield Children's University (CU) Festival of Fun is a programme of FREE taster activities for children and young people, running right across the summer holidays. Earn 1 CU credit for each hour you take part in an activity. Credits lead to 30 different awards between 30 credits and 1000 credits, some presented at our special graduation events!

Some activities need to be booked in advance and you'll find details of how to book places in the programme. Some activities don't need booking – so just turn up!

All activities are suitable for children with special educational needs and disabilities (SEND), but of course it depends on your child's needs and the nature of the activity as to how they might be able to participate. All Learning Destinations (activity providers) are experienced at working with children and young people with SEND, so we recommend contacting them directly to discuss the activity and your child's needs, so you can make an informed decision.

Almost all activities require a parent/carer to remain with their child throughout the activity, but the Learning Destinations will confirm this with you. Contact them directly for more info.

### Are you ready to join in?

- ✓ 1. Your child MUST currently attend a Sheffield School (under Sheffield City Council), or be a subscribing member of our Home Education group
- ✓ 2. Your child MUST have a CU Passport to Learning (buy one from any Sheffield Library for £3.50 – you can continue to use it to collect even more CU credits after CU Festival of Fun (visit [www.sheffield.gov.uk/cu](http://www.sheffield.gov.uk/cu) for more info)
- ✓ 3. Look through the activities and book your place (if required)

**\*\*PLEASE remember to cancel any booked places if you find you're unable to take part. We can then offer your place to another child so the place isn't wasted\*\***

# CU Festival of Fun 2023
