

Homework grid Y1 Autumn 1

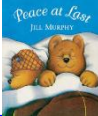

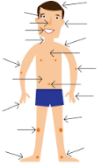

We would like you to choose some of the homework ideas from this grid to do at home over the 7 week term. We will have time in school to talk about the homework we have done that week. If you want to bring your homework to school or a photo of you doing an activity from the grid that would be great.

Weekly homework:

daily reading (school book or Bugclub
<https://www.activelearnprimary.co.uk/login>)

Spellings and key words.

<p>Literacy and speaking and listening</p>	<p>Can you write a story about your day? What did you do? What did you see? Can you write about yourself?</p>	<p>Can you read the focus GPCs and tricky words? Can you read and write captions and sentences using known Level 2 and Level 3 graphemes and tricky words</p>	<p>Go to the library and choose a book to read at home. Can you find book written by Jill Murphy. Read it and see if you like it.</p> 	<p>Can you draw a picture of your family. Who is in your family? See if you can write all their names underneath their picture.</p> 
<p>Maths and problem solving</p> 	<p>See if you can write and order numbers from 1-20. Or even 1- 30.</p>	<p>Can you learn your number bonds to 5? Go to: https://www.youtube.com/watch?v=We0SUCcY_NY - match numbers to make 5.</p>	<p>Pick a number and see if you can find that many objects. Or: http://www.topmarks.co.uk/-teddy numbers and see if you can match the amounts to the numbers.</p>	<p>Pick some different numbers and find 1 more of that number. Now try finding 1 less than that number.</p>
<p>Science and topic</p> 	<p>Can you draw round your body with the help of an adult and have a go labelling the different body parts.</p>	<p>Draw a picture of your local area and write a simple sentence about it.</p>	<p>Play this game and see if you can match the different body parts. http://www.crickweb.co.uk/ks1science.html</p>	<p>Think about your body and the parts that we use to sense things, like our sense of smell. Label the parts we use to sense different things.</p>
