

Springfield Newsletter

September 2023

Dear Parents and Carers,

Welcome back! It has been a busy few weeks since we returned but we are glad to see everybody back in school again and hope that you all had a restful summer. We welcome our new families who are joining us and hope you settle in quickly to life here at Springfield.

Please remember that Springfield is a **nut free school**. Children who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction and it is for these reasons we do not allow nuts in school in any form.

We ask that you have **no nut products** in lunch boxes or brought into the school as treats.

For example:

Peanut butter sandwiches

Cereal bars

Some granola bars

Cakes that contain nuts

This list is not exhaustive, so please check the packaging of products closely.

We appreciate that this is an additional thing to check and we know that as parents, you recognise the importance of it.

Thank you for your co-operation in this matter.

Please speak with either of us if you have any concerns or questions.

Mrs Joseph & Mrs Holder
Co-Headteachers

Staff News:

We welcome Mrs Su as a Teaching assistant who has joined us and is currently working in Y2 and we are sad to say goodbye to Ms Cawley who has worked at Springfield since 1995 as she moves on to pastures new. We wish her well and thank her for all her hard work with so many children and families over the years.

Parent App

Please ensure that you have downloaded the School Spider Parent App as this will be our main method of communication. Please go to the Appstore on iPhones or, Play Store on Android phones. It is really important for you to get this app as it is where you will get all information and notifications you need from school.

If anyone needs assistance downloading the app or does not have access to a phone that is compatible with the software please come and speak to Mrs Hannay, the School Business Manager.
