

Homework grid Y1 Spring 1

This is the homework for this half term. We would like you to have a go at as many as you can over the half term and don't forget to bring your homework into school every Friday to have it seen and Dojos awarded.

Weekly homework:

daily reading (school book or <https://www.activelearnprimary.co.uk/login>)

Spellings and key words.

Phonics

Literacy and speaking and listening

Write your own story. Who will be in your story? What will happen? Where will you go?

Look at the story 'Little Red Riding Hood'. Can you write about what happens?

Go to the library and choose a book to read about animals. What did you find out?

In science we will be looking at Materials and their suitability. Can you make a list of all the different materials you know and name some things that are made from those materials.

Maths and problem solving

Practice counting **forwards** and **backwards** in **twos**.

Can you write your two times table down in order.

Find some weighing scales. Can you record how much something weighs?

Can you find out how much you weigh?

Bake some biscuits and see if you can use some weighing scales to weigh out all the ingredients you will need. Make sure you do this with the help of an adult.

Put your number bonds to the test with this fun game: <http://www.ictgames.com/funkymum20.html>

Science and topic

Can you paint a picture from the story of Little Red Riding Hood?

Can you make a pop up card? What will you use?

Write an algorithm for going to bed. What do you do before you go to bed. Think about the order and then have a go following your algorithm. Did it work? Do you need to debug the code?

Visit this site and have a go at coding the rocket to visit the planets. Make sure you click on Y1/2 for the activities we have been practising in school [j2e code](#)
