

Parents of prospective pupils are welcome to look around the school by prior arrangement with the Headteacher.

Our admissions policy is set by the Local Authority. The allocation of places and admission of children to school is dealt with by Primary Admissions Team:

To apply for a school place follow the [this](#) link

If your child is allocated a place you will be invited to an Admission appointment where registration forms must be completed prior to your child's entry into school. We must see proof of parental and child's ID documents such as a birth certificate or passport.

Records from previous schools are sent on to us and we pass on all records when a child leaves this school.

Useful information on catchment areas can be found or if you have been refused a place at a school [this](#) link will explain your options.
