June 2024

Statutory DfE Tests

We are so proud of our children Y6 who did so well in SATS week, the children in Y1 and those in Y2 who have taken their Phonics test and the children in Y4 who took their Multiplication Tables Check.

These assessments are required by the Government. However, we measure how successful the children are by their progress from their starting points and their attitude to learning – which we see every day and is FANTASTIC.

EVERYONE should be very proud.

We are pleased to inform you that the money school received from Tesco has contributed to some of the fabulous playground improvements for both KS1 and KS2. We have had some games and markings added to the playgrounds to encourage the children increase their activity levels and enhance their experiences at playtimes.

Staff News

As we approach the end of the year, sadly we will be saying goodbye to Miss Abdillahi, who has been part of the Springfield family for over 25 years and Mr Caunt who has been here since 2018. We will miss them both very much and wish them well as they move onto pastures new. However, we are happy to let you know we have two new members of staff, Miss Burgin and Miss Regis who will start in September.

Please speak with either of us if you have any concerns or questions.

Mrs Joseph & Mrs Holder
Co-Headteachers

We know that many of our families have celebrated Eid Al Adha. We wish all our families who celebrated a happy and blessed time. Eid Mubarak
