

Homework grid Y1 Autumn 1

We would like you to choose some of the homework ideas from this grid to do at home over the 8 week term. We will have time in school to talk about the homework we have done that week. If you want to bring your homework to school or a photo of you doing an activity from the grid that would be great.

Weekly homework:

daily reading (school book or Bugclub
<https://www.activelearnprimary.co.uk/login>)

Spellings and key words.

Literacy and speaking and listening

Can you write a diary entry about your day?
 What did you do?
 What did you see?
 How did you feel?
 Can you write about yourself?

Can you read the focus GPCs and tricky words?
 Can you read and write captions and sentences using known Level 2 and Level 3 graphemes and tricky words

Go to the library and choose a book to read at home. Can you find book written by **Jill Murphy**. Read it and see if you like it. Can you write a short sentence explaining why you liked/disliked it?

Can you draw a picture of your family.
 Who is in your family?
 See if you can write all their names underneath their picture.

Maths and problem solving

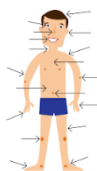

See if you can write and order numbers from 1-20.
 Or even 1-30.

Can you learn your number bonds to 5?
 Go to:
https://www.youtube.com/watch?v=We0SUCcY_N
 Y_ match numbers to make 5.

Pick a number and see if you can find that many objects.
 Or:
[http://www.topmarks.co.uk/-teddy numbers](http://www.topmarks.co.uk/-teddy-numbers) and see if you can match the amounts to the numbers.

Pick some different numbers and find **1 more** of that number.
 Now try finding **1 less** than that number.

Science and topic

Can you draw round your body with the help of an adult and have a go labelling the different body parts?

Draw a picture of your local area and write a simple sentence about it.

Go outside in your local area, can you name 2-3 changes you see whilst we are going into the season of Autumn? Even better if you could write them down!

Think about your body and the parts that we use to sense things, like our sense of smell.
 Label the parts we use to sense different things.
