

Springfield Newsletter

September 2024

Dear Parents and Carers,

Welcome back! It has been a busy few weeks since we returned but we are glad to see everybody back in school again and hope that you all had a restful summer. We welcome all our new families who are joining us and hope you settle in quickly to life here at Springfield.

Please remember that Springfield is a **nut free school**. Children who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction and it is for these reasons we do not allow nuts in school in any form.

We ask that you have **no nut products** in lunch boxes or brought into the school as treats.

For example:

Peanut butter sandwiches

Cereal bars

Some granola bars

Cakes that contain nuts

This list is not exhaustive, so please check the packaging of products closely.

We appreciate that this is an additional thing to check and we know that as parents, you recognise the importance of it.

Thank you for your co-operation in this matter.

Please speak with either of us if you have any concerns or questions.

Mrs Joseph & Mrs Holder
Co-Headteachers

Staff News:

We are pleased to welcome two new teachers to Springfield; Miss Burgin and Miss Regis and also two new teaching assistants Mr Lever and Mrs Dalal.

We also welcome Ms Cardwell as part of the Administration Team and she will be working in the school office on main reception Mondays and Tuesdays.

Please remember to keep an eye on our website:

<https://www.springfieldschool.org.uk/>

and also our Parent App

Please go to the Appstore on iPhones or Play Store on Android phones to download. This app is important as it is where you will get all information and notifications you need from school and will be our main method of communication.

If anyone needs assistance downloading the app or does not have access to a phone that is compatible with the software, please come and speak to Mrs Hannay, the School Business Manager.
