

# Homework Grid Y6 Autumn 1

Y6 Homework:

Spellings - tested every fortnight.

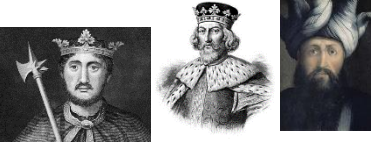

Daily reading (reading book or <https://www.activelearnprimary.co.uk>)

SumDog Maths challenges and competitions.

In addition to this, we would like you to choose some of the homework ideas from this grid to do at home over this **eight** week half-term. We will have time in school to talk about the homework you have done that week. If you want to bring your homework to school or a photograph of you doing an activity from the grid, that would be great!
