

Sheffield Children's University Home Learning Challenges 2020

Sheffield CU is all about encouraging participation in high quality learning beyond the classroom and we want to continue to support you to do this during this uncertain time as much as possible, as well as enable our children and young people to continue to collect their CU credits! We also firmly believe that learning can take place anywhere, and that includes at home and online too! So, here's some guidance on the challenges...

Sheffield CU Home Learning Challenges

We'll be creating and sharing some of our own challenges, which will be suitable for a range of ages and abilities as well as subject areas, and will all be FUN! At this time, we really want you to really focus on the quality of the learning you take part in for each activity, rather than the number of hours, so each challenge/activity will be worth **1, 2 or 3 CU credits in total**. We will let you know how many CU credits you can collect for each challenge when it becomes available.

Signposted activities (from Learning Destinations & other providers)

We'll be sharing links to loads of other brilliant activities - some from our wonderful Learning Destinations, and some from other activity providers. We think they all deserve CU credits, so these activities will be worth **1 CU credit each**

Claiming your CU credits:

Fill in a **Home Learning Challenge Reflection Sheet** so you can think about and see all the wonderful things you've learned. We'll be sharing a link to this very soon. You are free to do each activity as many times as you like, but can only claim CU credits once per challenge. We also need you to send some evidence for each of your completed challenges too - perhaps a photo, video, scanned copy of some writing, etc.

Email the reflection sheet and your evidence to cu@sheffield.gov.uk and we'll award your credits. Please wait until you've finished completing the challenges and send all your reflection sheets and evidence together!

Receive our updates!

Make sure you've signed up to our Parent/Carer mailing list to receive regular updates and activity information now and in the future. Email CU@sheffield.gov.uk to be added to the list

'Like' our Facebook page for activity ideas and further updates
